

Holy Cross Services' Outpatient Program

Support is available.

Holy Cross Services (HCS) believes in treating the entire person while promoting a process of change through which individuals work to improve their health and well-being. Our professional therapists provide people with hope through individual and group treatment sessions, as well as connecting the individual to resources they need to live healthy and productive lives.

Person-centered services are provided. Current programming offered:

- Outpatient Substance use and co-occurring individual and group counseling
- Substance use treatment referrals
- Case management

Upcoming services to be offered:

- Mental health counseling
- Recovery coach services
- Intensive outpatient

Pregnant and parenting women are a priority population for treatment. MDHHS and PIHP funding supports the cost of making this marketing material.

ABOUT HOLY CROSS SERVICES

Holy Cross Services is a human services agency whose mission is to bring hope, promote change, and help people live free, healthy and productive lives. Holy Cross has four main service areas: Children's Services (Foster Care, Residential, Independent Living, Juvenile Justice Transition), Behavioral Health Services (Substance Use & Mental Health Disorders Residential & Outpatient), Homeless Shelter & Services, and a Community Resource Center.

Founded in 1948, Holy Cross touches the lives of approximately 1,500 people every day who are abused, neglected, traumatized, and/or who suffer from substance abuse and mental health issues across Michigan, plus over 7,000 homeless veterans, adults and children in Lansing, Michigan. HCS is one of the largest private, not-for-profit providers in Michigan.
